Stoner Mold Cleaners,

Maintaining Your Production Line!

Non-Flammable	Non-Chlorinated Cleaners		
			
<ul style="list-style-type: none">Contains No Trichloroethylene.Non-flammable.Leaves no residue.	<ul style="list-style-type: none">Heavy-duty cleaning for molds and tooling.Built-in acid neutralizer.Leaves no residue.	<ul style="list-style-type: none">Extremely powerful spray stream.NSF® approval for use in food-grade molding.Leaves no residue.	<ul style="list-style-type: none">Extremely powerful spray stream.Slower evaporation for larger mold surface areas.Leaves no residue.
<p>A497 Non-Flammable Mold Cleaner</p> <p>A497 is a powerful, non-flammable mold cleaner that contains no trichloroethylene making it a safer option for the workplace. A497 contains powerful cleaning agents to remove greases, oils, release agents, adhesives, waxes, and contaminants from molds. This non-flammable mold cleaner quickly removes difficult mold build-up, leaving no residue after drying. Removes finger marks and displaces moisture.</p> <p>16 oz. (454 g.) aerosol Item No. A497 12 per case</p> <p>Bulk Available 5 & 55 Gallon L497</p>	<p>93234 CUT™ Mold Cleaner</p> <p>93234 CUT™ is a powerful, non-chlorinated, non-citrus, fast-acting mold cleaner with an acid neutralizer, specially formulated for metal molds. CUT™ was developed as an alternative to chlorinated solvents for precision cleaning of molds. CUT™ dissolves and removes release agents, grease, oil, carbon deposits, dirt, wax, and silicones from molds. CUT™ quickly evaporates leaving no residue.</p> <p>12 oz. (341 g.) aerosol Item No. A93234 12 per case</p> <p>Bulk Available 5 & 55 Gallon 93237 & 93238</p>	<p>A499 Precision Mold Cleaner</p> <p>A499 is a fast acting, non-chlorinated cleaner and degreaser for molds and tooling. It's extra powerful spray stream and cleaning agents dissolve greases, oils, release agents, adhesives, waxes, and contaminants from molds, tools, and equipment. It quickly evaporates leaving no residue! A499 has received NSF® approval for use in food-grade molding by one of the most respected independent organizations in the world.</p> <p>15 oz. (425 g.) aerosol Item No. A499 12 per case</p> <p>Bulk Available 5 & 55 Gallon M499</p>	<p>A595 Heavy-Duty Mold Cleaner</p> <p>A595 is a non-chlorinated, non-citrus, fast-acting mold cleaner with an extremely powerful spray stream and slower evaporation rate specially formulated for metal molds. It's extra powerful spray stream and cleaning agents dissolve greases, oils, release agents, adhesives, waxes, contaminants from molds, tools, and equipment and finger marks. Leaves no residue.</p> <p>15 oz. (425 g.) aerosol Item No. A595 12 per case</p> <p>Bulk Available 5 & 55 Gallon M595</p>

Natural Citrus Cleaners			Low Odor
			
<ul style="list-style-type: none">Powerful natural citrus based mold cleaner.Strong alternative to hazardous cleaners.Pleasant citrus scent.	<ul style="list-style-type: none">Powerful natural citrus mold cleaner.Versatile mold cleaner.Pleasant citrus scent.	<ul style="list-style-type: none">Powerful natural citrus based mold cleaner.FDA compliant.Pleasant citrus scent.	<ul style="list-style-type: none">Precision cleaning power.Powerful low odor mold cleaner.Low residue.
<p>A500 Citrus Mold Cleaner</p> <p>A500 is a heavy-duty mold cleaner used to remove greases, oils, waxes, Stoner release agents, and other contaminants from metals, molds, and tooling. It's a powerful mold cleaner made from a highly refined extract of citrus fruits which are healthy and environmentally friendly.</p> <p>12 oz. (341 g.) aerosol Item No. A500 12 per case</p> <p>Bulk Available 5 & 55 Gallon B500</p>	<p>93123 XENIT™ Citrus Mold Cleaner</p> <p>93123 XENIT™ is a versatile natural mold cleaner typically used as a degreaser in the plastics and rubber molding industries. XENIT™ contains a proprietary cleaning formula with a natural highly refined extract of citrus fruit. This powerful, versatile mold cleaner can remove the greasy, grimy soils and stains that soap and water can't.</p> <p>10 oz. (283 g.) aerosol Item No. 93123 12 per case</p> <p>Bulk Available 5 & 55 Gallon 94217 & 94218</p>	<p>A585 ME-2000 Citrahol™ Mold Cleaner</p> <p>A585 ME-2000 Citrahol™ is an FDA compliant, all-natural precision mold cleaner and degreaser used in the plastics and rubber molding industries. It contains a proprietary blend of highly refined citrus fruits extract.</p> <p>12 oz. (341 g.) aerosol Item No. A585 12 per case</p> <p>Bulk Available 5 & 55 Gallon M584</p>	<p>A555 Low Odor Mold Cleaner</p> <p></p> <p>10 oz. (283 g.) aerosol Item No. A555 12 per case</p> <p>Bulk Available 5 & 55 Gallon B555</p>

Rust Preventives, We Have You Covered!

Same proven formulations with a new look

Short Term	Medium Term	Long Term Rust Preventives	
 <p>NSF Nonfood Compounds Program Listed H2 161469</p> <ul style="list-style-type: none"> Prevents oxidation and corrosion. Overnight & weekend protection. No start-up cleaning. <p>A612 Short Term Rust Preventive</p> <p>A612 is a short term coating used as a mold protectant against rust and oxidation for overnight and weekend protection. A612 seals out dampness and prevents rust and corrosion by leaving a thin film of rust preventive. A612 leaves a thin film of rust preventive that works off during start-up and requires no cleaning. A612 has received NSF® approval for use in food-grade molding.</p> <p>10 oz. (283 g.) aerosol Item No. A612 12 per case</p>	 <p>NSF Nonfood Compounds Program Listed H2 161470</p> <ul style="list-style-type: none"> Prevents oxidation and corrosion. Protection for several weeks. Built-in acid neutralizer. <p>A592 Medium Term Rust Preventive (ZIP ME-2410NS)</p> <p>A592 is a medium term coating used as a mold protectant against rust and oxidation for several weeks protection. A592 seals out dampness and prevents rust and corrosion by leaving a microfilm coating of rust preventive. A592 has a built-in acid neutralizer that retards the effects of mild acids, alkalies, and fingerprints. A592 is ideal for molds needing protection for several weeks between use. A592 is a penetrating lubricant that loosens frozen parts due to rust and corrosion. It also removes light rust buildup.</p> <p>12 oz. (341 g.) aerosol Item No. A592 12 per case</p>	 <p>NSF Nonfood Compounds Program Listed H2 161470</p> <ul style="list-style-type: none"> Prevents oxidation and corrosion. Protects molds 12 months. Protects steel molds and equipment. <p>A677 Long Term Rust Preventive</p> <p>A677 is a long term coating used as a mold protectant against rust and oxidation for 12 plus months protection. A677 seals out dampness and prevents rust and corrosion by leaving a heavy duty film of rust preventive. A677 prevents rust and corrosion from ruining exposed steel and stored metals for extended time periods. A677 allows you to ship or store parts, molds, tooling, or machinery without damage from rust, corrosion, or oxidation. A677 has received NSF® approval for use in food-grade molding.</p> <p>10 oz. (283 g.) aerosol Item No. A677 12 per case Bulk Available B677 5 & 55 Gallon</p>	 <p>NSF Nonfood Compounds Program Listed H2 161470</p> <ul style="list-style-type: none"> Prevents oxidation and corrosion. Protects molds 12 months. Built-in acid neutralizer. Tracing dye. <p>A590 Long Term Rust Preventive (ZIP ME-5050NS)</p> <p>A590 is a long term coating used as a mold protectant against rust and oxidation for 12 plus months protection. A590 prevents rust and corrosion from ruining exposed steel and stored metals for extended time periods. A590 has a built-in acid neutralizer that retards the effects of mild acids, alkalies, and fingerprints. A590 has a built-in tracing dye to save time by allowing you to visually check coverage. A590 adheres to metal surfaces such as molds, tooling and slides without running.</p> <p>12 oz. (341 g.) aerosol Item No. A590 12 per case</p>
