A497 Non-Flammable Mold Cleaner

Product Description

A497 Non-Flammable Mold Cleaner is a powerful, non-flammable mold cleaner that contains no trichloroethylene making it a safer option for the workplace. **A497** contains powerful cleaning agents to remove greases, oils, release agents, adhesives, waxes, and contaminants from molds. This non-flammable mold cleaner quickly removes difficult mold build-up, leaving no residue after drying. Removes finger marks and displaces moisture.

A497 Non-Flammable Mold Cleaner ADVANTAGES:

- Contains NO Trichloroethylene.
- Rated as a non-flammable aerosol by ASTM testing method D3065-01.
- Removes greases, oils, release agents, adhesives, waxes, and contaminants from molds.
- Powerful solvents remove difficult build-up from molds.
- Cleans and prepares molds before application of Stoner rust preventives.
- Leaves no residue on molds.
- Extension tube for precise spray steam.

Uses

A497 Non-Flammable Mold Cleaner is used in the molding industry where a strong non-flammable mold cleaner is needed for high temperature molds to remove grease, oil, carbon deposits, and build-up from mold surfaces. For use in the manufacturing process only.

Directions for Use

Recommended Procedure

Shake well before using. Spray the mold to loosen and remove dirt. Allow the mold to air dry or wipe it dry with a rag. Heavily soiled areas may require a longer dwell time and scrubbing with a brush or rag. Difficult residue may require a second application.

Do not use on solvent-sensitive materials. Always test before using. Hold can upright when spraying, to avoid depleting propellant. When can is near empty, point spray head toward black dot on the top rim.

Storage and Handling

Do not puncture or incinerate container. Do not expose container to heat or store at temperatures above 122 °F. This product is classified as nonflammable by ASTM testing method D3065-01. However, contents of this container can ignite under certain circumstances. Keep container away from and do not use near sparks, open flame, heated surfaces, or other ignition sources. Freezing will affect physical condition but will not damage product. Thaw and mix before using.

Packaging

A497 Non-Flammable Mold Cleaner is available in:

- 12 can case of 12 oz cans Part # A497
- Available in bulk**
- 5-gallon pails & 55-gallon drum Part # L497
