

# Safety Data Sheet

## WB400 (Bulk) TraSys Mold Release

# Stoner

Copying and/or downloading of this information for the purpose of properly utilizing Stoner Inc. product is allowed provided that: (1) the information is copied in full with no changes unless prior agreement is obtained from Stoner Inc., & (2) neither the copy nor the original is resold or otherwise distributed with intention of earning profit thereon.

### 1. IDENTIFICATION

Stoner Incorporated  
1070 Robert Fulton Hwy.  
Quarryville, PA 17566  
1-800-227-5538

Product Name: TraSys Mold Release  
Product Code: WB400 (Bulk)  
Product Use: Mold Release  
24-hour emergency phone: 1-800-424-9300 [CHEMTREC]

### 2. HAZARD IDENTIFICATION

POTENTIAL HEALTH EFFECTS

Classification of the chemical in accordance with paragraph (d) of §1910.1200;

GHS Classification Not classified as hazardous.

### 3. COMPOSITION/INFORMATION ON INGREDIENTS

| COMPONENT          | CAS #     | Percent  |
|--------------------|-----------|----------|
| Aliphatic emulsion | 8002-53-7 | 80 - 100 |

HMIS® III\* HAZARDOUS WARNINGS:

|           |                 |             |                                |               |
|-----------|-----------------|-------------|--------------------------------|---------------|
| Health: 0 | Flammability: 0 | Physical: 0 | Personal Protective Equipment: | See Section 8 |
|-----------|-----------------|-------------|--------------------------------|---------------|

\* See [www.paint.org/hmis](http://www.paint.org/hmis) or call the ACA at 1 (202) 462-6272 for more information on this current rating system.

### 4. FIRST AID MEASURES

Eyes: Immediately flush eyes gently with plenty of water for at least 15 minutes while holding eyelids apart. If symptoms persist or there is visual difficulty, seek medical attention.  
Skin Contact: No first aid should be needed.  
Ingestion: No harmful effects expected.  
Inhalation: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.

NOTES TO PHYSICIAN:  
No additional first aid information available.

### 5. FIRE FIGHTING MEASURES

Fire and/or Explosion Hazards: Product is predominately non-flammable, containing only minor amounts of flammable ingredients.  
Fire Fighting Instructions: Fire fighters should wear normal protective equipment and positive-pressure self-contained breathing apparatus.

### 6. ACCIDENTAL RELEASE MEASURES

STEPS TO BE TAKEN IF MATERIAL IS RELEASED OR SPILLED:

### 7. HANDLING AND STORAGE

Storage: Keep container tightly closed when not in use.

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

|                         |                                                                                                                                                                                                                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Engineering Controls:   | Ventilation should be adequate to prevent exposures above the limits indicated below in this section of the SDS (from known, suspected or apparent adverse effects).                                                                                                                                             |
| Eye Protection:         | Wear chemically resistant safety glasses with side shields when handling this product. Wear additional eye protection such as chemical splash goggles and/or face shield when the possibility exists for eye contact with splashing or spraying liquid or airborne material. Have an eye wash station available. |
| Skin Protection:        | The use of chemically resistant gloves is recommended if there is any possibility of prolonged or repeated liquid contact with skin.                                                                                                                                                                             |
| Respiratory Protection: | No respiratory protection required under normal conditions of use.                                                                                                                                                                                                                                               |

| <u>COMPONENT</u>   | <u>CAS #</u> | <u>ACGIH TLV</u> | <u>OSHA PEL</u> | <u>OTHER</u>    |
|--------------------|--------------|------------------|-----------------|-----------------|
| Aliphatic emulsion | 8002-53-7    | Not established  | Not established | Not established |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

|                              |                   |                                       |                   |
|------------------------------|-------------------|---------------------------------------|-------------------|
| Physical State:              | Bulk liquid       | Lower Flammability Limit (%):         | Not applicable    |
| Appearance:                  | White             | Upper Flammability Limit (%):         | Not applicable    |
| Odor:                        | None              | Vapor Pressure (PSIG @ 70°F):         | No data available |
| Odor Threshold:              | None              | Vapor Density [air = 1]:              | 0.000000          |
| pH:                          | 4.5               | Relative Density (H2O=1):             | 1                 |
| Melting/Freezing Point (°F): | No data available | Solubility in Water:                  | Complete; 100%    |
| Boiling Point (°F):          | No data available | Partial Coefficient: n-octanol/water: | No data available |
| Flash Point (°F PMCC):       | None              | Autoignition Temperature (°F):        | Not applicable    |
| Evaporation Rate:            | Not determined    | Decomposition Temperature (°F):       | No data available |
| Flammability (solid, gas):   | No data available | Viscosity, dynamic (cSt):             | No data available |
| Percent VOCs (%):            | < 0.0001          |                                       |                   |

## 10. STABILITY AND REACTION

|                         |                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------|
| Chemical Stability:     | Stable.                                                                                          |
| Conditions to Avoid:    | Avoid contact with: Extreme temperatures and direct sunlight. Open flames and high temperatures. |
| Decomposition Products: | Burning can produce the following combustion products: Carbon dioxide and carbon monoxide.       |

## 11. TOXICOLOGICAL INFORMATION

|                                        |                    |
|----------------------------------------|--------------------|
| Reproductive & Developmental Toxicity: | No data available. |
| IARC Carcinogen Designation:           | No data available  |

| <b>Ingredient</b> | <b>CAS #</b> | <b>Toxicological Data</b> |
|-------------------|--------------|---------------------------|
| No data available |              |                           |

## 12. ECOLOGICAL INFORMATION

|                      |                   |
|----------------------|-------------------|
| Ecological Toxicity: | No data available |
| Mobility:            | No data available |

| <b>Ingredient</b> | <b>CAS #</b> | <b>Toxicological Data</b> |
|-------------------|--------------|---------------------------|
| No data available |              |                           |

## 13. DISPOSAL CONSIDERATIONS

Disposal : Dispose according to Federal, State and local regulations.

## 14. TRANSPORTATION INFORMATION

| Agency | UN Number | Proper Shipping name    | Hazard Class | Packing Group |
|--------|-----------|-------------------------|--------------|---------------|
| DOT    |           | Not regulated by agency |              |               |
| IATA   |           | Not regulated by agency |              |               |
| IMDG   |           | Not regulated by agency |              |               |

## 15. REGULATORY INFORMATION

Warning: This product contains the following chemicals that are subject to reporting requirements for the following regulatory bodies listed below:

| <b>COMPONENT</b>                      | <b>CAS #</b> | <b>% BY WEIGHT</b> | <b>Regulatory Body</b> |
|---------------------------------------|--------------|--------------------|------------------------|
| No components listed in this section. |              |                    | SARA Section 313       |

All components of this product are listed on the TSCA inventory.

This product contains no California Proposition 65 ingredients that cause cancer, birth defects or other reproductive harm.

## 16. OTHER INFORMATION

Other Information : SDS Prepared by L. Dean Swartz, SDS Coordinator

Version Date: 08/26/21

**This information contained in this SDS is believed to be accurate as of the version date, but is not warranted to be. Since the use of this information and the conditions of use of this product are not within the control of Stoner Inc, it is the user's obligation to determine the conditions of safe use.**
