# L497 Non-Flammable Mold Cleaner

## Product Description

**L497 Non-Flammable Mold Cleaner** is a powerful, non-flammable mold cleaner that contains no trichloroethylene making it a safer option for the workplace. **L497** contains powerful cleaning agents to remove greases, oils, release agents, adhesives, waxes, and contaminants from molds. This non-flammable mold cleaner quickly removes difficult mold build-up, leaving no residue after drying. Removes finger marks and displaces moisture.

### L497 Non-Flammable Mold Cleaner ADVANTAGES:

- Contains NO Trichloroethylene.
- Rated as a non-flammable aerosol by ASTM testing method D3065-01.
- Removes greases, oils, release agents, adhesives, waxes, and contaminants from molds.
- Powerful solvents remove difficult build-up from molds.
- Cleans and prepares molds before application of Stoner rust preventives.
- Leaves no residue on molds.

## Uses

**L497 Non-Flammable Mold Cleaner** is used in the molding industry where a strong non-flammable mold cleaner is needed for high temperature molds to remove grease, oil, carbon deposits, and build-up from mold surfaces. For use in the manufacturing process only.

## Directions for Use

### Recommended Procedure

For industrial use only. Apply as needed to loosen and flush away contaminants from molds. Difficult areas may require second application or scrubbing with brush or rag. Allow excess to air dry or dry with rag. **L497** is a strong cleaner which may be harmful to certain plastics, paints, or other sensitive materials. Always test in a small area before using.

## Storage and Handling

Avoid prolonged or repeated contact with skin. Avoid prolonged or repeated breathing of vapor. Avoid contact with eyes. Wash hands thoroughly after handling. Storage: Keep container tightly closed when not in use. Store in a cool, dry, well ventilated area away from all sources of ignition. Empty container may contain residues which are hazardous. Do not store above 125 deg F. Freezing will affect physical condition but will not damage product. Thaw and mix before using.

## Packaging

**L497 Non-Flammable Mold Cleaner** is available in:

- 5-gallon pails Part # L497PL
- 55-gallon drum Part # L497DR

### Available in aerosol

- 12 can case of 12 oz cans Part # A497
