

**Stoner** Molding Solutions®  
You Mold It. We Release It.™

# M914 Silicone Mold Release

## Product Description

**Stoner® M914 Silicone Mold Release** is specially formulated as a food grade release agent and anti-stick lubricant for molded materials such as plastics, rubber, waxes, and similar materials. Heavy duty release agent for difficult releases. Dries quickly. Provides fast, easy part removal from molds and multiple part releases per application. Improves molding efficiency in many processes including injection, compression, transfer, vacuum form, pour cast, die cast, and extrusion molding.

## M914 Silicone Mold Release ADVANTAGES:

- Saves time by allowing molded parts to be removed quickly and easily from molds.
- Improves part appearance and reduces defects caused by sticking.
- Heavy duty release agent for difficult releases.
- Dries quickly.
- Formulated to provide high levels of user and environmental safety.
- Contains no chlorinated solvents such as 1,1,1 trichloroethane or methylene chloride.
- The silicone in M914 meets FDA regulation 21 CFR 181.28 as a release agent in the manufacture of food contacting materials.
- Colorless and non-staining.

## Uses

**Stoner® M914 Silicone Mold Release** is a grade release agent and anti-stick lubricant for molded materials:

- Plastics
- Rubber
- Waxes

## Directions for Use

### Recommended Procedure

**Stoner® M914 Silicone Mold Release** This material is ready-to-use and requires no dilution. Best application is achieved by applying a thin coating using a spray system. Emptied container retains vapor and product residue. Do not reuse this container.

## Storage and Handling

**Storage:** Keep container tightly closed when not in use. Store in a cool, dry, well ventilated area away from all sources of ignition. Empty container may contain residues which are hazardous.

**Handling:** Do not use near ignition sources. Avoid prolonged or repeated contact with skin.

## Packaging

**Stoner® M914 Silicone Mold Release** is available in:

- 5 Gallon Part # M914PLSTON01
- 55 Gallon Part # M914DRSTON01
