

**Product Description**

**94217 XENIT™ Citrus Mold Cleaner** is a versatile natural mold cleaner typically used as a degreaser in the plastics and rubber molding industries.

**XENIT™ Citrus Mold Cleaner** contains a proprietary cleaning formula with a natural highly refined extract of citrus fruit. This powerful, versatile mold cleaner can remove the greasy, grimy soils and stains that soap and water can't.

**XENIT™ Citrus Mold Cleaner ADVANTAGES:**

- Removes greases, oils, waxes, inks, tars, release agents, and other contaminants from molds.
- Cleans molds –in or out of the press– by removing resins, carbon deposits, and other contaminants left in the cavities.
- Dissolves and flushes away Stoner release agents from metal molds before application of Stoner rust preventives.
- Contains no methylene chloride or ozone depleting substances. Non-halogenated.
- Pleasant citrus scent.

**Uses**

**XENIT™ Citrus Mold Cleaner** is a natural precision mold cleaner typically used as a degreaser in the plastics and rubber molding industries.

Many applications in automotive manufacturing, aerospace manufacturing, and general fabrication industries. Not for use as a general purpose cleaner or degreaser. For use in the manufacturing process only.

**Directions for Use**

**Recommended Procedure**

Apply as needed to loosen and flush away contaminants. Difficult areas may require second application or scrubbing with brush or rag. Allow excess to air dry or dry with rag. XENIT is a strong cleaner which may be harmful to certain plastics, paints, or other sensitive materials. Always test in a small area before using.

**Storage and Handling**

Do not use near ignition sources. Do not expose container to heat, flame, sparks, static electricity, or other sources of ignition; they may explode and cause injury or death. Use with adequate ventilation. Avoid prolonged or repeated breathing of vapor or contact with skin. Do not store containers in excessive heat or direct sunlight. Store in a cool, dry, well ventilated area away from all sources of ignition. Do not store at temperatures above 122° F. Store at temperatures between 45° and 99° F. Normal precautions common to safe manufacturing practice should be followed in handling and storage.

**Packaging**

**93123 XENIT™ Citrus Mold Cleaner** is available in:

- 5-gallon pails Part # 94217
- 55-gallon drum Part # 94218
- 12 can case of 10 oz cans Part # 93123
